

WHY are we DOING THIS?

- (1) Because smashing your friends with a dodgeball is a blast.
- (2) To break up the mid-winter cabin fever that starts to set in around March.
- (3) To tear down walls. Some teens express that they have a hard time inviting friends to church or talking openly about their relationship with God. This tournament lets you invite them to something that is 'not church.' You know that even the most hard core of your friends are probably up for a great day of dodgeball right? And maybe they'll figure out that Christians aren't as up-tight as they thought we were, they'll be more interested in hearing what God's done in your life, & open to what God wants to do in theirs.
- (4) We want to have a good time & give you a vehicle to reach your friends.
